

MRI Non-Magnetic Carts

There are many different styles and types of MRI Non-Magnetic Carts. Carts are needed for many different things in hospitals and MRI Units.

MRI Non-Magnetic Carts

We're going to give you a brief description of the many MRI Non-Magnetic Carts. Each one has its own specific purpose and can be very useful and portable. Click on any image to learn more about the item.

Non-Magnetic Coil Carts

These Oak Coil Carts have a 2' Depth x 3'-4'-6'-8' Height x 4' Length. They come with an option of covers, handles, and number of shelves. These are sturdy carts with easy moving swivel locking casters.

Non-Ferromagnetic Coil Carts

Non-Ferromagnetic Coil Carts have similar dimension options as non-magnetic carts. The only difference is one is non-magnetic and the other is non-ferromagnetic.

Medication Carts

There are many different medication carts to select from. Many accessories can improve your bins such as drawer organizers, rail hooks, & many others. Many carts have an optional number of drawers and drawer sizes. They can be customized to hold IV Pole's, Utility Hooks, Oxygen Tank Holders, Cardiac Boards, and much more.

Utility Carts

These MRI Non-Magnetic Carts are basic carts with an optional amount of shelves and sizes. These utility carts are for quick and easy access trays that can be moved quickly from one location to another.

Lab Carts and Accessories

There are many different storage compartments in our non magnetic lab carts and accessories. This style of cart has the most options when it comes to bins, dispensers, holders, and workstations.

PVC Carts

PVC Carts are easy and portable storage tubs for anything in your MRI room that doesn't need to be out at all times.

Crash Carts

Crash Carts for MRI rooms are for carrying a wide variety of items, including medicine and healthcare equipment, that could need to go anywhere.

Linen Carts

There are many different gowns, caps, and other articles of clothing that can be left behind in your MRI room. Get proper linen carts to store and transport all of your unnecessary clothing.

Maid Carts

Your MRI room needs to be cleaned and sanitized and the people cleaning it need a cart to transport all of their equipment in and out of the room. These MRI Non-Magnetic carts allow you to store all of your rags, brooms, dust pans, linen bags, and any other cleaning supplies.
